

100kW Outdoor Integrated Power Supply Solution for Indonesia

100kW Outdoor Integrated Power Supply Solution for Indonesia

Hexamitra merupakan salah satu pengembang, distributor dan aplikator terbaik di Indonesia untuk bidang pembangkit listrik tenaga surya (PLTS) dan efisiensi energi.

This advanced system integrates a 100KW Power Conversion System (PCS) with a robust 215KWH Lithium Iron Phosphate (LiFePo4) battery, ensuring reliable and efficient energy storage and ...

Produk yang dipasarkan berkaitan dengan building ventilation diantaranya, marine blower, ducting in building, technical supply, spring mounting, lifting tools, cooling tower dan grill.

Our solution is an all-in-one package: Battery packs, charge controller, BMS, EMS, and PcS, all integrated into a single unit with a highly efficient three-level topology to optimize system efficiency.

This C& I battery storage system integrates with solar PV and the grid to power EV chargers, providing clean, reliable, and cost-efficient electricity for commercial EV charging stations while reducing grid ...

Hexamitra merupakan salah satu pengembang, distributor dan aplikator terbaik di Indonesia untuk bidang pembangkit listrik tenaga surya (PLTS) dan efisiensi energi.

This battery system consists of PCS, outdoor cabinet, battery racks ...

Real-time monitoring and remote control provide full visibility and reliable backup power for diverse scenarios. Perfect for homes, banks, hospitals, schools, villages, factories, and supermarkets, this ...

This battery system consists of PCS, outdoor cabinet, battery racks and BMS, every cabinet integrates with intelligent HVAC inside. And this system has big advantages on safety, cycle ...

With 100kW PCS and 215kWh of LiFePO₄ battery storage, it delivers robust, efficient, and versatile energy management. This solution integrates advanced BMS and EMS technologies to provide real ...

The iCON 100kW 215kWh Battery Storage System is a fully integrated, on or off grid battery solution that has liquid cooled battery storage (215kWh), inverter (100kW), temperature control and fire safety ...

We specialize in large-scale energy storage systems, mobile power stations, distributed generation, microgrids, containerized energy storage, photovoltaic projects, photovoltaic products, solar industry ...
