

Aerospace Waterproof Prefabricated Optical Cable Manufacturer

Overview

Infinity Fiber specializes in manufacturing custom fiber optic cable assemblies for Aerospace, Defense and Telecom companies nationwide. Any industry that requires the use of optical fiber can benefit from our services. All assemblies are Made in the USA at our southern California facility. All lengths and configurations are made to order using the finest optical cable, components, and. Amphenol Custom Cable provides American-made interconnect solutions trusted by defense contractors, avionics manufacturers, and aerospace integrators across the U. We design and manufacture a broad range of High Speed and Fiber Optic Connectors, Cable Assemblies, and. Optical Cable Introduces Fan-Out Kits For High Density, Small OD Fiber Robust OCC Fan-Out Kit Designed for Frequent Deployment of High Density, Small OD Fiber Robust OCC fan-out kit designed for frequent deployment of high density, small OD fibre Industry Leader in Innovative Manufacturing of Technical Wire & Cable Solutions Harsh environments and demanding applications have complex requirements.

Aerospace Waterproof Prefabricated Optical Cable Manufacturer

Infinity Fiber specializes in manufacturing custom fiber optic cable assemblies for Aerospace, Defense and Telecom companies nationwide. Any industry that requires the use of optical fiber can benefit ...

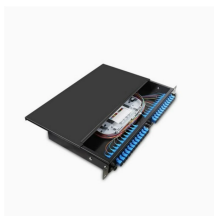

Powered by decades of experience, we are the premier global manufacturer of high-reliability contacts for harsh environments and mission-critical applications, with the widest QPL range in the industry, ...

The result was military fiber optic cables that were easy to deploy and performed under the harshest of conditions. The strength of our military-grade cable solutions was the foundation and inspiration for ...

Our product range includes standardized options such as DR and MIL-Spec cables, as well as specialized constructions like customized assemblies, data transmission cables, and optical cables.

Amphenol develops a range of custom Active Optical Cable (AOC) solutions for harsh environment. We specialize in manufacturing high ...

Northwire, Inc. is your responsive partner for developing and manufacturing customized technical cables, coil cords, and complete interconnectivity solutions.

Our cables are assembled with high-grade, RoHS-compliant components that stand up to harsh environments, shock, EMI, and vibration—ensuring long-lasting performance in every mission-critical ...

Amphenol develops a range of custom Active Optical Cable (AOC) solutions for harsh environment. We specialize in manufacturing high-performance data cables tailored for aerospace, defense, military, ...

Linden Photonics, Inc. has been a trusted supplier of custom cables to the military and defense industries since 2002. Linden strives to be at the forefront of technology, specializing in the ...

Northwire, Inc. is your responsive partner for developing and manufacturing customized technical cables, coil cords, and complete interconnectivity solutions.

Explore more of our basic capabilities and suggested design specifications for use in your fiber optic cable assemblies below. Nortech Systems provides high-quality aerospace and defense fiber optic ...
