

After-sales service for 4-core hybrid fiber optic cable

Overview

For single and bifurcated cables, retractors, surgical headlights, cogen cables, fiber scope light guides, all types of industrial light guides (ring lights, light lines, back lights, etc), quartz light guides, and custom designs, we offer the following: 3 to 5 day in-house turnaround. CommScope bundles hybrid cabling to your custom specifications, using our high-performance fiber-optic, unshielded twisted pair and coaxial cables. When it comes to fiber cables, we can access everything – seriously! We provide “best in the industry” turnaround times with rush. DuetConnect Hybrid Copper-Fiber Cables allow one cable to offer the advantages of DC power and fiber, safely delivering both over long distances to remote locations where standard power is unavailable or too costly to install. Various cable constructions within the portfolio offer unlimited. Hybrid Cable 1-1/2”, (6) pairs of 21. The portfolio ranges from solutions and equipment for enveloping, sleeving, wrapping & stacking, cast-on-strap to the assembly of automotive, motorcycle, industrial, and e-mobility batteries.
