

Australian Positive Pressure Explosion-proof Distribution Box Manufacturer

Overview

Inatex supplies IECEx-certified hazardous area distribution boxes and empty enclosures for Zone 1 and Zone 2 explosive atmospheres. Our fire-rated enclosures provide durable, long-term protection. B&R Enclosures specialise in total solutions for hazardous areas where flammable liquids, vapours, gases or combustible dusts are likely to occur in quantities sufficient to cause a fire or explosion. Our purpose-built workshop in Perth has been certified to repair the following types of protection: Ex t, Ex d, Ex e, Ex n and Ex i. All products are assembled and machined in our accredited workshops. Govan Industries Pty Ltd - Manufacturers of Explosion Proof Electrical and Instrumentation Equipment and products including custom built switch-racks, control stations, junction boxes and light fittings for hazardous areas.
