

## Chilean manufacturer of optical cables for smart buildings

### Overview

Import and sourcing managers use Volza's Partner Finder to explore verified Fiber Optic Cables manufacturers within these markets — filtering suppliers by volume, product type, and pricing tiers to identify the best trade opportunities. The company specializes in advanced fiber optic telecommunications and is dedicated to deploying fiber optic networks throughout Chile, enhancing broadband access for consumers and businesses. Their extensive ultra-broadband network, built to high industry standards, supports the digitalization. Volza's Global Partner Finder scans 3.5 billion+ shipment records with 20+ precision filters to uncover the most reliable and economical suppliers for you. HENGTONG has realized factory informatization, lean manufacturing and management informatization. It has systems in place to trace quality.
