

Cold-fit fiber optic connectors and mating flanges

Cold-fit fiber optic connectors and mating flanges

In-series couplers, between-series hybrid adapters, connector ferrules, and splice alignment sleeves. FC, SC, ST, LC, MTP, E2000, SMA, MU, MTRJ, and more types.

Our mating sleeves connect any fiber cable terminated with industry-standard FC/PC, FC/APC, SMA, LC/PC, LC/APC, ST ^{®*} /PC, E-2000 ^{®†} /PC, and SC/PC connectors. Please see the Selection ...

Get low-loss fiber optic adapters/couplers with good repeatability and durability for precisely mating two ends of a fiber optic cable. Multiple connector options available.

The FIS fiber optic adapter kit provides installers with all the popular mating sleeves to test or plug in fiber optic cables. Perfect for Installers. Singlemode adapters work for multimode connectors. FIS ...

Lens style universal connectors are tilt adjustable to compensate for any offsets between the fiber cores and the connector housings. Please note that universal connectors will not couple light efficiently ...

FLX Series fiber connectors are rugged, waterproof, and offer quick, tool-free termination. Ideal for FTTH, data center, military, and industrial networks.

Trusted manufacturers of fiber optic adapters/mating sleeves. Durable, low-loss couplers designed for precise fiber connections. Custom options available.

Fibertronics offers a variety of fiber optic adapters with all connector types including SC, SC-APC, FC, FC-APC, LC, LC-APC, ST, E2000, SMA and D4.

Mating Sleeves - Industrial Fiber Optics, Inc. Home > All Products > Fiber Optic Connectors > Mating Sleeves

Most fiber optic connectors are plugs or male connectors with a protruding ferrule that holds the fibers and aligns two fibers for mating. They use a mating adapter to mate the two connectors that fits the ...
