## Construction of Long-Span Cable Trays in Kuwait

Spanning more than six decades, the Bahman Group of Companies stands tall as one of the pioneers in the Kuwait market in the field of General Trading and Finance.

They are especially useful in situation situations where changes to a wiring system are anticipated, since new cables can be installed by laying them in the tray, instead of pulling them through a pipe.

Whether you need custom cable trays or durable trunking systems, Al Fazal Engineering provides everything under one roof with expert support and professional installation.
