

Engineering-grade fiber optic patch cords

Engineering-grade fiber optic patch cords

Leviton fiber optic patch cords meet or exceed industry standards to make sure you get the performance you expect. They are available in multimode (OM1, OM3, OM4, OM5) and single-mode (OS2) fiber ...

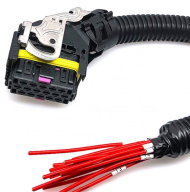

MPO / MTP® Patch Cords: Engineering High-Density Interconnects in 2026 While high-fiber-count trunk cables form the massive backbone of modern data centers, the performance of the entire ...

Get low-loss fiber patch cables & cords with various connector options that support fiber optic cabling up to 400G. 100% tested. Customized cables available.

Get OM3/OM4/OM5 multimode and OS2 singlemode fiber optic patch cables with ultra-low insertion loss. Available in LC/SC/FC/MPO connectors to support ...

Corning offers the most complete line of connectors and factory-terminated cables, from single-fiber patch cords to high-fiber-count assemblies.

Explore fiber optic patch cords for telecom, data centers, and FTTH. From LC/SC to MPO/MTP and armored jumpers, ZION Communication offers ...

Explore fiber optic patch cords for telecom, data centers, and FTTH. From LC/SC to MPO/MTP and armored jumpers, ZION Communication offers high-quality, customizable fiber patch ...

Fiber optic patch cables offer high-speed, reliable data transmission for your network infrastructure. Explore our range of durable and high-performance fiber optic patch cables, designed to meet the ...

Get OM3/OM4/OM5 multimode and OS2 singlemode fiber optic patch cables with ultra-low insertion loss. Available in LC/SC/FC/MPO connectors to support 10G/40G/100G/400G applications. All ...

ICC offers a full range of singlemode and multimode fiber optic patch cables, including 9/125 (OS1), 62.5/125 (OM1), and 50/125 (OM2/OM3/OM4), which are engineered to exceed TIA-568 ...

Explore CommScope high-quality fiber patch cords, riser cables, and fiber jumpers. Enhance your network connectivity with our quality solutions.

Clearfield can design and manufacture fiber optic patch cords & jumper cables for almost any application, meeting your requirements for cost, performance, reliability and rapid delivery.
