Properly designed rack mounts/patch panels are the vital foundation for any network, and Multilink's lineup features a wide variety of adapters, splice trays and fiber cable options.

The ultimate in cable management versatility, this Fiber Cable Manager allows you to route cables from the front to the back of your cabinet with seven routing slots and five 3" x 1.75" D-rings.

The rack allows for effective installation and management of cables, pigtailed and patch cords. The rack can be set up as side by side sections or optionally back to back.

Discover fiber cable management solutions by HUBER+SUHNER, including chassis, modules, racks, ODFs, and accessories for organized, efficient installations.
