

Fiber optic box with or without coupler

Fiber optic box with or without coupler

These indoor and outdoor boxes make it easy to install your fiber optic gear, with adapter panels and options with pigtailed and splitters, simplex and duplex adapters, and splice trays.

The FIMP-XL can also be equipped with a MPO connector (Multi Fiber Push On) on the bottom side. The splice box can be delivered with or without 9/125µm singlemode pigtailed.
