

## Fiber optic cable head wrapped with tape

### Overview

The self-gripping tie's unique design enables the user to quickly wrap the tie around a bundle of fiber optic cables and then onto itself for a secure hold. With five color options, contractors can better identify and maintain network cables- including plenum applications. The SPEEDWRAP® Brand FIBERTie™ product line includes cut-to-length tapes and fabricated cable ties. These are the pre-cut strips of hook and loop tape. VELCRO® Brand ONE-WRAP® straps are a safe alternative to other cable ties and will not pinch. Rip-Tie Lite light-duty cable wraps are the easy answer for bundling cables semi-permanently or when.
