

German Special Optical Cable Single Mode

German Special Optical Cable Single Mode

The range of special fiber feature includes pure Silica fibers, fibers with high and low NA and special broadband RGBV fibers with an operational range of 400 - 680 nm. Special fiber connectors are ...

LoRawan outdoor base station

This specialized cable integrates four premium 9/125 single-mode optical fibers with five robust 10mm² power conductors in a consolidated design, eliminating the need for separate cable runs.

FS offers single mode duplex fibre patch leads & cables for 1G/10G/40G/100G/400G Ethernet fibre connections that can transport data up to 10km at 1310nm and 40km at 1550nm.

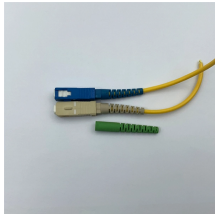

We offer a huge selection of fiber cables and adapters that help to ensure dependable fiber network connections.

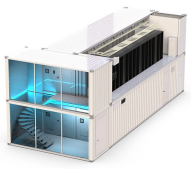

Find premium single mode fiber optic cables for high-speed data transmission. 20 years of expertise and worldwide delivery.

<p style="text-align: center;">OEM/ODM CUSTOMIZATION AVAILABLE</p> 	<p>This OS1 fibre optic patch cable is designed for single-mode transmission links with 9/125µ and is supplied pre-assembled as a duplex version (two fibres) with LC/LC connectors.</p>
