

High-precision manufacturer of optical fiber cable corrugated sleeve cold aisle

Overview

With 100+ engineers across 3 production facilities, we manufacture and supply everything from single LC SC patch cords to full MPO-24 trunk cable runs and turnkey patchcord production lines. Same-day quotes on standard items. From Fiber Optic to Copper Cables, from the most innovative products to the smartest solutions, from industries such as Broadcast or Enterprise to Industrial or Data Center, OCC has the connections you need. Over 30 years ago, OCC became a pioneer in the design and production of fiber optic cable. HFCL is recognized as one of the largest manufacturers and suppliers of fiber optic cable across the globe, providing high-quality products and reliable services. From passive optical components to automated manufacturing equipment, we provide end-to-end fiber optic infrastructure. All assemblies are Made in the USA at our southern California facility.

High-precision manufacturer of optical fiber cable corrugated sleeve

We specialize in designing and manufacturing fiber optic connectors, fiber optic cable assemblies, and custom fiber optic products for use in harsh environments.

As an optical cable company, Precision Fiber Products, Inc. provides high-quality fiber optic cables engineered for top performance. Discover the different types of fiber optic cables available for your ...

OSE Optics offers custom fiber optic cable manufacturing with precision alignment, fast prototyping, and quality control. Contact us to discuss your project.

Infinity Fiber specializes in manufacturing high quality fiber optic cable assemblies for various industries nationwide. All assemblies are Made in the USA at our southern California facility. All lengths and ...

FOCC Fiber provides professional-grade fiber optic solutions, from high-precision assemblies and FTTA kits to turnkey production line equipment. Driving optical connectivity with expertise and reliability ...

Get reliable, high-quality fiber optic cable assemblies built to your specs. Casco serves OEMs & industrial clients with ISO-certified U.S. manufacturing.

Fiber optic cables for outdoor applications are engineered to withstand the more demanding conditions seen outside, from environmental extremes to mechanical forces.

We manufacture custom fiber optic assemblies for a range of applications. You can tell us exactly what your project requires, or you can browse some of our options for hybrid cables and assemblies.
