

Nepal Overseas Warehouse AOC Active Optical Cable 400G

Nepal Overseas Warehouse AOC Active Optical Cable 400G

Call, chat, email or meet for Active Optical Cable (AOC) connectivity support. Save up to 90% while improving deliverability & interoperability.

Built with bonded multi-mode or single-mode fiber, these cables deliver secure, low-latency connections between switches, servers, and storage systems in modern data centers.

The 400G QSFP-DD active optical cables are designed for use in 400 Gigabit Ethernet links over OM4 multimode fibers, and contain eight multi-mode fibers (MMF) optic transceivers per end, each ...

Our collection covers 10G through 400G AOCs, enabling seamless connections inside racks and across rows in enterprise networks, data centers, HPC clusters, and cloud platforms.

The 400G QSFP56-DD to 8x 50G SFP56 Breakout Active Optical Cable offers IT professionals a cost-effective interconnect solution for merging 400G QSFP56 DD and 53G SFP56 enabled host ...

400G Ethernet AOC cables offer strong signal integrity and flexible cabling characteristics, meeting the comprehensive requirements of hyperscale data centers, high ...

The SO-QSFPDD-AOCxxM-4 is an Active Optical Cable (AOC) solution for short-range multi-lane data communication and interconnect applications. The solution consists of two QSFP-DD transceivers ...

400G AOC Cables from JTOPTICS are Active Optical Cables that offer lightweight, flexible, and low-power connectivity. Designed for high-performance computing and networking environments, they ...

Multichannel AOCs combining our vertically integrated VCSEL array technology with standard QSFP and SFP+ connectors. They feature low power consumption, low weight, and a small bend radius for ...

NADDOD offers Active Optical Cable (AOC) with data rates up to 400Gps and link distances ranging from 0.5m to 100m, all at a low cost and power consumption.
