

Original cover of the distribution box

Overview

The earliest consoles had game cartridges; the cartridge packaging featured a box color-coded to the "network" or category of the game (one of several themes, such as "action", "sports", etc.). The front cover opened up, book style; on the inner front cover, a slot retained the paper manual – a simple booklet, as well as the poly controller overlays. In the main confines of the box, a plastic tray was recessed into which the cartridge fit snugly. When other companies began to produce cartridges for M.
