## PVC distribution box casing

We have the solution to all of your onsite needs with our 20" Distribution Box! This box is great for large or small applications. No other box allows you to choose where to set your inlets or outlets.

Choose from our selection of PVC boxes, including corrosion-resistant washdown enclosures, compartmented boxes, and more. Same and Next Day Delivery.

Since PVC junction boxes are lighter and easier to install than NEC approved metal enclosures, they are a great option for protecting electrical connections with less work and less expense.

Key trends include the shift toward higher IP-rated enclosures (IP65/IP66/IP67) for harsh environments and the integration of flame-retardant additives in PVC compounds.

We manufacture and stock Distributions Boxes in various sizes from 3 outlets to 14 outlets:
