	<p>Product Description Supermicro PWS-2K04A-1R Power Supply - AC-DC 2000W, Titanium Level, Redundancy, 1U, PMBus 1.2</p>
---	--

	<p>Price:\$1,497.26 &amp; plus; Free Shipping Quantity: In Stock/Mfg Direct Ship Last Updated: Mar 30, 2025 No Sales Tax except these states</p>
--	--

 <p>Length:27mm Small-end inner diameter:3.3mm Large-end inner diameter:5.5mm</p>	<p>The BBP module is capable of supplying 100W for 15 minutes and 200W for 5 minutes. All materials contained comply with RoHS requirements and is certified by Supermicro.</p>
--	---

	<p>Product Description Supermicro PWS-1K03A-1R 1U 1000W Redundant Power Supply Titanium W/PMbus 76x365x40mm,RoHS/Reach</p>
---	--

1U Redundant Module ZIPPY is capable of producing small quantities of multiple sizes and changing specifications according to customers' needs, so as to meet customers' demands at any time.

For information regarding the EU RoHS compliance status of specific Microchip IC and module package types, including the use of RoHS exemptions, please search by Microchip part number at our ...

Our goal, is to be RoHS/Pb-Free compliant in advance of the EU requirement of July 1, 2006. During this time, product may be available as RoHS Compliance, non-compliant, or both, depending on the model.

This power supply is redundant to safe-guard your system from power failure and allows for hot-swap replacement to eliminate system downtime. All materials contained comply with RoHS requirements ...

RoHS exemption for lead in solders to complete a viable electrical connection between the semiconductor die and carrier within integrated circuit flip chip packages.
