

Sri Lanka Technical Support Aggregation Switch 25G

Sri Lanka Technical Support Aggregation Switch 25G

It provides up to 48/24*1GE/10GE/25GE autosensing SFP28 ports and 8*100G ports. The switch supports modular power modules and fan trays. By using different fan trays, the switch can provide ...

The 1.3" LCM touchscreen employs AR switch management to provide you with switch states and other information for quick diagnosis and troubleshooting. For ...

A 32-port, Layer 3 switch made for high-capacity 10G SFP+ and 25G SFP28 connections.

Every product goes through our quality verification process before delivery, and we provide end-to-end order tracking, 24/7 customer support, and a comprehensive returns policy to ensure a safe ...

The 1.3" LCM touchscreen employs AR switch management to provide you with switch states and other information for quick diagnosis and troubleshooting. For added peace of mind, this switch includes a ...

A 32-port, Layer 3 switch made for high-capacity 10G SFP+ and 25G SFP28 connections.

Equipped with all-fiber ports, Aggregation Series Switches deliver up to 25 Gbps. With features such as Static Routing, DHCP Server, ACL, IGMP Snooping, STP, LAG, and centralized cloud management, ...

It offers high performance and reliability for high bandwidth aggregation and access network applications. The 10G and 25G SFP links provide the necessary backbone capacity to meet the high ...

1.8 Tbps high-density 100G/25G Layer 3 Etherlighting™ aggregation switch with MC-LAG support for high availability system design.

Features •48 x 25G SFP28 and 6 x 100G QSFP28 ports •Multi-Chassis Link Aggregation (MC-LAG) support (Must be paired with another Enterprise Campus Aggregation) •Layer 3 automatic failover ...

1.8 Tbps high-density 100G/25G Layer 3 Etherlighting™ aggregation switch with MC-LAG support for high availability system design.
