

UAE EPS Distribution Box

Overview

Our Temperature-Controlled Medical EPS Boxes are engineered for strict cold chain compliance. These are widely used for sensitive biomedical logistics in both local and global supply chains. Designed for transporting vaccines, medicines, and diagnostic samples under strict temperature. We are currently operational for Expanded Polystyrene (EPS) through our UAQ facility under Aspen Polystyrene Industries, and we are developing our next phase: Fancy Tin Cans & Tin Boxes, planned to start production in 2027 from our new facility in KEZAD, Abu Dhabi. Built on Proven EPS. Expanded Polystyrene (EPS) sheets are widely used across packaging industries for their lightweight, protective, and insulating properties. NPPF's EPS sheets are engineered to provide superior product safety, ease of handling, and thermal control, making them ideal for packaging delicate. On orders above 1000 AED Buy EPS & Styrofoam boxes, sheets, pots, and beads in UAE., Insulation, Packaging, Agriculture & many more. for Performance, People, and the Planet.
