

UPC Single Mode Pigtail Fiber

UPC Single Mode Pigtail Fiber

	<p>FS offers 1.5m 12 fibers LC UPC single mode fiber pigtail with tight buffer design to achieve accurate mounting for precision alignment of fiber optic components.</p>
	<p>This FC pigtail is a multimode cable with high-grade FC UPC fiber optic connector on one end, another end unterminated. Pigtail can configure single mode or multimode fiber for the specific application.</p>
	<p>CommScope engineers and manufactures a complete line of high quality fiber pigtails</p>
	<p>Fiber Pigtail Cable, Single Mode SC/UPC Square Head Fiber Optic Pigtail, with PVC Outer Shell, 1.5m, for Optical Fiber Local Area Networks, Optical Fiber Communication Systems and Instruments.</p>
	<p>High quality pre-terminated 900µm optical fiber pigtails with LC, SC, ST connectors for fiber splicing applications. Choose from single mode, multimode and 10G OM3/OM4 fibers.</p>

Our Singlemode Simplex Pigtails are the ideal solution for fast, reliable data transfer in fiber optic network applications. Featuring OS2 singlemode fiber and a variety of connector options, including ...

These optical fiber pigtail solutions have either LC, SC, or ST ends and some of them are compatible with APC or UPC connectors. If these fiber optic cables are not exactly what you are looking for, you ...

We carry Fiber Optic fusion splicers, cleavers, OTDRs, cables, panels, laser sources, power meters, and many other Fiber Optic products for any project.

Upgrade your fiber network with a 3M LC UPC Single Mode Pigtail, jacketed for durability. Pre-terminated, low insertion loss, LSZH jacket, perfect for splicing.

Our 12 strand LC-UPC Singlemode Fiber Pigtail Kits are available in standard and bend insensitive glass, utilize color coding and perform to meet TIA-568-C.3 standards.
