Ukrainian cable tie manufacturer for optical cables

Overview

We are one of the largest Ukrainian cable ties and wiring fastenings manufacturers. Indoor optical cables are designed for installation inside buildings, telecommunications cabinets and risers. They have a compact design, high flexibility and low-smoke sheath, which makes them safe for indoor use. We have been manufacturing cables and conductors for over 120 years, and the accumulated experience allows us to keep our leading position in the market. Since our establishment in 1991, it has been our goal. I agree to TradeKey. com Terms of Use, Privacy Policy, IPR and receive emails related to our services Optical pigtails, optical patch-cor.
