Overview

This code is used to identify Qualified Charitable Distributions (QCDs), which are nontaxable distributions made directly by the trustee of an IRA to an eligible charitable organization that can receive tax-deductible contributions. The codes in Box 7 of your Form 1099-R indicate the type of distribution you received. Form 1099-R is the tax document your retirement plan administrator or financial institution sends when you receive a distribution of \$10 or more during. Form 1099-R is used to report passive income, such as annuities or pensions, or distributions made from retirement plans. For a direct tax deferred rollover, the taxable amount should be zero.
