Overview

Sunlink Engineering designs and fabricates high-quality Metal DB Boxes (Distribution Boxes) for safe, organised, and reliable electrical distribution. Our DB box installation services are ideal for various situations, including old homes with aging circuit breakers that require replacement, and new properties where the existing electrical circuits may be inadequate for the needs of modern living. Our reputable brand partners include ABB, Schneider Electric, and more. Our DB boxes are widely used across industrial, commercial, marine, and infrastructure projects in Singapore and Johor, Malaysia, and are engineered. LKH Projects Distribution (LKHPD) is a specialized distributor of electrical distribution systems, offering a comprehensive range of products including circuit breakers, motor protection devices, and MV switchgear. The company's expertise in electrical distribution solutions positions it as a key. Local Service Pte Ltd is a top choice for electrical solutions in Singapore.
