

Wireless optical modules for sale

Wireless optical modules for sale

Build high-performance and power-efficient optical modules for wireless, data center and communication applications with our optical networking ICs. Our products simplify designs by integrating ...

About Company : Genuine Optics is world-leading optical transceiver provider. The company is registered in San Jose, California, with new buildout manufactory in Thailand.

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical ...

Our engineering team works directly with customers to design and produce custom SFP modules, QSFP transceivers, and other optical components. Custom orders typically ship within 2-4 weeks, and we ...

All of our products are produced with Molex's high-quality standards, delivering superior optical, electrical and EMI performance for network robustness. Furthermore, Molex is a one-stop-shop for ...

Get the pluggable module performance you need from the manufacturer of choice for all major networking equipment vendors worldwide.

Get the highest quality, performance-leading optical transceivers for any network architecture. Find the transceiver model to fit your network.

Compatible optical transceivers, DACs, and passive xWDM systems for data centers, mobile, metro ethernet, and transmission networks.

Shop DigiKey's large in-stock selection of Fiber Optic Transceiver Modules. View inventory, pricing and order now for same day shipping!

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical support & wholesale pricing.

SFP+ Optical Transceiver Modules (10G-SR/LR)
Amphenol SFP Optical Modules • SFP+ Optical Modules from Cables on Demand are Now Available in both Short Range (SR) Multimode and Long ...
